

RULES

ADDING CONTENT

By adding content to this website you confirm you have rights to this content and it does not breach copyright rights of others. You give us permission to use the content in any form and way known now and in future without paying receiving any fee.

NOTICE AND TAKEDOWN

We take copyright issues seriously. If you notice any copyright infringement please send an email to contact (at) polishwords (dot) com (another-dot) pl with:

Your name, your address (if applicable)

A proof you have rights to the content discovered

An URL to the content in question

We will examine your request with care and if it will be valid and true, we will remove the content from our website. We will answer on your request in 7 days. If you did not receive answer in this time, please write again to make sure we received the info.
